

**GOLF MIDDLE SCHOOL  
PHYSICAL EDUCATION UNIFORMS /  
HEART RATE MONITOR STRAP**

Physical Education uniforms are required for all Golf Middle School students. **All in-coming 5<sup>th</sup> grade students** are required to purchase a gym uniform as well as any other grade level student who needs or wishes to replace his/her old uniform. The new uniforms consist of **a gray shirt and your choice of a red cotton short, gray mesh short or red mesh short.**

As part of the Physical Education program, each student is responsible for **wearing a strap when we use the heart rate monitors.** These will be used often to keep track of students' target heart rates as well as other important data. After purchase, students **MUST write their names on their strap** so they can find them easily if they misplace them.
