FACILITY UPDATE

Health Life/Safety Inspections

- The annual health life/safety inspections took place Tuesday, November 7, 2023, with a few minor violations which have since been corrected.

HVAC Update

- Johnson Controls began working on the punch list.
- The roof top unit for the Golf multipurpose room is not functioning properly. Trane will need to replace several circuit boards in the unit.
- The roof top unit for the Golf second floor is overheating the space. O'Hare Mechanical will be out to look at the unit.

Hynes Cafeteria Heat

- The heat was out in the old gym/cafeteria again this week. We were able to get it running and provide heat. This is the second time in two weeks that this unit has failed, and the third time this season that one of the Hynes roof top units has failed.

Hynes Roof

- Tremco completed the leak repairs at Hynes last week.

STUDENT ACHIEVEMENT REPORT

Holly Harper-Kelly and Karen Chvojka reported on the Spring 2023 Achievement. Students in grades 3-8 participated in the Illinois Assessment of Readiness (IAR) as well as the NWEA MAP assessment. Both of these standardized assessments are designed to summarize student achievement in the areas of mathematics and reading. This learning report provided information about student progress in the 2022-23 school year and the planned instructional goals for the 2023-24 school year.

STUDENT ENROLLMENT

Golf Middle School - 329 students

Hynes Elementary School - 327 students
